How to Browse in Atlas

(for externals)

- Login required

Username/password or CAC (if applicable)

learn.dau.mil* for Atlas Production and

learn.test.dau.mil* for Atlas Test.

ATLAS Production – is where the module will be live.

If you have never been registered for a course, you will need to register to get a username and password.

Atlas Test – is where you can see it before it goes live. A request is sent to GLTC_Help@dau.mil with PM approval and user contact information.

* Note that in order to get an *Atlas Production* account , user needs to enroll into a CL module using ATRRS registration system.

* Note that in order to get an *Atlas Test* account, request is sent to GLTC_Help with PM approval and user's contact information.

How to Browse in Atlas

(for internals)

- No login required*
